

# Elementary parent: Co-teacher training & encouragement

- To educate, equip, and encourage parents in their vital and worthy role of University Model co-teacher
- To serve the needs of all types of parents, including new and returning ones.
- To bring parents and teachers together for a sense of fellowship and community so all are encouraged and inspired to fulfill their role well... for the Name of Jesus and for the sake of their children and legacy.

**PLEASE NOTE:**

The day is for adults only--for parents and teachers to connect, to benefit, and to enjoy. Students will have their chance on campus Thursday!

**Face-to-face parent-teacher time is a key component.** Primary grade parents will have an extended session with their child's classroom teacher. Grade 3-6 parents will rotate through their child's schedule for core and elective courses.

General sessions will share a variety of information and encouragement, related to this coming year's parent needs.

**Lunch** will allow some social time together. You may order pizza and salad when you arrive OR bring your own lunch.
