### Lunch plans for Inclement weather

Condition	Plan	Covid pre-cautions
Not raining	Tables will be set up in the back yard area for students, parents, and teachers to eat with social distancing	Outdoors, practicing social distancing, masks are not required
Chilly / cold > 50	If members are cold-natured, we will create a limited space in the multi-purpose for some folks to eat, distanced.	Face coverings are required when not seated in distanced chairs. Individuals must wear face coverings inside when not in distanced chairs.
Raining	If rain prohibits outside dining, we will text families by late morning. Since we do not have enough indoor facilities, if it is raining, staff will distribute lunches in to-go containers.	None needed, as we will not congregate.
