

Elementary parent: Co-teacher training & encouragement

- To educate, equip, and encourage parents in their vital and worthy role of University Model co-teacher
- To serve the needs of all types of parents, including new and returning ones.
- To bring parents and teachers together for a sense of fellowship and community so all are encouraged and inspired to fulfill their role well for the Name of Jesus and for the sake of their children and legacy.

PLEASE NOTE:

The parent day reflects time for parents and teachers to spend face-to-face. Primary grade parents will have an extended session with their child's classroom teacher. Grade 3-6 parents will rotate through their child's schedule for core and elective courses.

General sessions will share a variety of information and encouragement, related to this coming year's parent needs.

A fellowship lunch is available to order. Order to be e-mailed or brought into the office by Friday, August 3rd. Otherwise, plan to bring your own lunch.

The day is for adults--for parents and teachers to connect, to benefit, and to enjoy. Students will have their chance to come to campus on Thursday!
